

## Autobiography project - due by May 15<sup>th</sup>

For the photo project, bring in 50-80 photos of yourself. You will scan these pictures. These should be from babyhood through the present. Make sure you have pictures of your family, relatives, and friends (include their names on your slides somehow). You will use movie maker to create your video. You will need to have music. There should be an opening title slide and a closing slide. For this project, you can bring in music from home, download music legally or use the copyright free music in the studio.

Pick from the following questions to be included in your presentation.

**Answer all of these:**

1. What is your full name & nickname (if you have one).
2. Where were you born?
3. When were you born? Include your weight, height, & time born.
4. What schools have you attended?
5. Include a physical description of yourself.

**Answer three of these:**

6. What is an important fact about your childhood that helped make you the person you are today?
7. Who is a person you admire and why?
8. If you could be granted one wish it would be...?
9. What three things do you consider necessary for a happy, productive life and why?
10. What is something you want to accomplish as an adult and why?

**Answer three of these:**

11. What are your favs.: food, music, things to do, clothes, movies, etc.?
12. What are your dislikes?
13. What are your talents and hobbies?
14. What career do you want to do?

**Answer four of these:**

15. List some of your firsts: tooth, word, doctor visit, dentist visit, trip, sport, babysat, presentation, speech, play group, cooked a meal, chores, etc.
16. What are your goals and dreams?
17. Describe your family, including pets, if any.
18. Who is your favorite teacher? Why?
19. Best experiences in school.
20. Favorite summer vacation spots that you have been.
21. Where would you like to travel to? Why?
22. Include your most embarrassing moment, your scariest moment, your happiest moment, your saddest moment, and your most victorious moment.

Remember when you are typing your information, you need to use text that is large and easy to read. It's okay if you use more than one slide for each item.

You may include all of the items above, if you desire.
